

# **Energizer** Battery Request Form

**Change Your Clock Change Your Battery**<sup>®</sup> is a national home fire safety program sponsored by *Energizer*<sup>®</sup> batteries and the International Association of Fire Chiefs. Each year, a limited number of batteries are donated to fire departments nationwide for distribution to senior and low-income citizens during the *Change Your Clock Change Your Battery* weekend. To request a donation of batteries, please complete this questionnaire. Requests will be evaluated on local need, plan for distribution and support of the *Change Your Clock Change Your Battery* program and its sponsor.
